

AUBSU

**Advertising Opportunities
2018-2019**

AUBSU is the Students' Union at Arts University Bournemouth.

During their time at university, the majority of students engage with AUBSU, whether that's by joining us at our Freshers' Fair, signing up to a club or society, volunteering with us, or attending one of our events.

Our students are as creative and diverse as their courses, and are interested in a wide range of brands, products, and opportunities, and you can communicate your message to them via an exciting variety of on campus or online advertising opportunities.
